

PROPOSED RULE

JOURNEYMAN

Chapter 303-X-2

(b)(2) Persons applying for state wide journeyman electrician examination must demonstrate a minimum of 8,000 hours experience that includes the installation of electrical wiring, apparatus or equipment for lighting or power, and/or controls thereof. This work must be commercial, industrial or residential. Applicant shall also be capable of doing said work according to plans and specifications furnished to him or her and in accordance with standard rules and regulations governing such work. Applicant may substitute (1) year of education in an approved electrical curriculum for up to 2,000 hours of the total 8,000 hours of experience required. The applicant must provide appropriate documentation, subject to the approval of the Board, of said education in an electrical curriculum.
